GIVING MATTERS | APRIL 2022

So good to see you again...

Hi there, welcome back to the Giving Matters newsletter from Canberra Hospital Foundation.

We know it's been a while since we sent you an update, but we really wanted to start sharing some good news stories with you again.

We have been delighted to see so many of our community getting involved with our fundraisers, helping to support our healthcare heroes and making a difference to the health and wellbeing of our community.

"Gifts support patients to continually receive the highest quality care, the greatest comfort and relief from distress."

Your support + our community = good news stories

The winner of the Vespa Raffle is...

[The winner of the Vespa Picnic raffle has been drawn!](#)

Congratulations to N. Dawson, who has been contacted and is very excited to be the winner of the Vespa PicNic from Lennox Volkswagen. Huge thank you to Peter Munday and Lennox VW who donated the Vespa. **The raffle raised over \$15,000** to help build Your Space - Cancer Wellbeing Centre at Canberra Region Cancer Centre (CRCC).

We recently spent five minutes with Helen Goddard, a social worker at the CRCC, who knows the difference

that Your Space will make.

Soothing sounds of the Therapeutic Harp program

More than beautiful music, this program, is a professional bedside service offering beneficial harp music from Clinical Musician, Alison Ware. Your support means this program can help assist many patients, including end of life patients and their families.

Winner flies the flag with great design

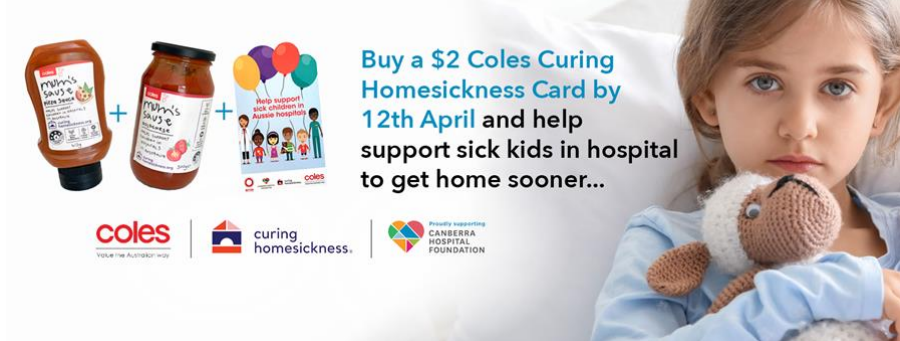

Thank you to Nina H. for designing this awesome flag! We had some great entries and the CFMEU judges had trouble choosing.

Now the design will appear on flags raised across Canberra construction sites, helping to raise funds to support paediatric patients.

"We aim to inspire community giving that creates gratitude, connection, innovation and healing."

We need your help...

No one wants kids in hospital to feel homesick. We have an easy way for you to support sick kids in hospital to get home sooner, or feel more at home during their treatment. Buy a \$2 Coles Curing Homesickness Card from Coles Supermarkets in Canberra to donate to the fundraiser, **available until 12th April.**

You will be helping to raise funds for paediatric patients who are receiving care through Hospital in the Home (HITH) through Canberra Health Services to help them get home sooner.

Next time you are shopping at Coles in Canberra, you can also purchase a product or two from the Coles Mums Sausage pasta or pizza sauce range, look for the [Curing Homesickness](#) logo on the products.

Get involved, make a difference to your community!

Take your family
to the 2022 Brick
Expo & help
support sick
kids!

What else has been happening?

The start of 2022 has seen the CHF team out and about with Hearty, helping deliver [activity packs and smiles](#) to

AIS Mass Vaccination Clinic, and [showbags to kids in the Paediatric Units](#) at Centenary Hospital.

As restrictions ease in healthcare settings, we are also pleased to see the return of therapeutic programs that your support helps fund, including the Therapy Dogs Program and Therapeutic Harp Program.

The Canberra Hospital Foundation Choir has also returned, delighting patients, visitors, volunteers and staff with the sounds of music uplifting everyone at the Canberra Hospital.

THERAPY DOGS RETURN
